I understand that The Edge Academy gives admission preference to students who live in households whose income level is no more than 150% above the poverty level (as defined by the Prevention, Retention, Contingency Program). In signing this application, I certify that all of the foregoing information is a complete and accurate representation of facts. As a community school, parent participation and involvement is very important to our school. By enrolling your child, you are agreeing to play a vital role in your child's education. Depending on your situation, this will include reading to your child at home, volunteering in class, participating in the Parent Organization, and participating in after-school activities. Other requirements include dropping off and picking up your child on time, attending parent/teacher conferences, returning forms and permission slips in a timely manner, calling in student absences and keeping current contact information on file.

The Edge Academy is a community school established under Chapter 3314 of the Revised Code. The school is a public school and students enrolled in and attending the school are required to take proficiency tests and other examinations prescribed by law. In addition, there may be other requirements for students at the school that are prescribed by law. Students who have been excused from the compulsory attendance law for the purpose of home education as defined by the Administrative code shall no longer be excused for that purpose upon their enrollment in a community school. For more information about this matter, contact the school administration or the Ohio Department of Education.

I/We agree to the above terms and hereby submit this application to enroll my/our child.
